Dear Families

Year 13 A Level Photography Equipment

Photographic equipment has become increasingly expensive when purchasing direct from retailers. Therefore, to keep costs to a minimum the art department is offering students necessary materials at a discounted rate of £95.00 which will cover the cost of the following materials:

- 2 black and white 100/400 ASA film - 36 exposures
- 25 sheets of A4 printing paper for digital laser ink jet
- 25 sheets of A3 printing paper for digital laser ink jet
- Contribution to maintenance costs of printer and digital printer inks
- 2x A3 logbooks for components 1 and 2
- A sheet of mount board and a sheet of foam board

The above materials will see students through much of the second year of their course. Other essentials such as the darkroom chemicals, maintenance of specialist equipment and guide books are covered by the school.

Students are issued with personalised codes to photocopy images to stick into logbooks. Using the school's facilities is considerably cheaper and better quality than the cost of photocopying locally.

Payment for the year 13 photography equipment can be made via the MCAS online payment system. In order to be able to issue students with their new logbooks, we would be very grateful if this payment can be made as soon as possible.

If your child is eligible for financial support from the 16-19 bursary, please contact Mrs Plumb in the sixth form office. Further information about the bursary can be found [HERE](#).

If any families would like their child to take part in this opportunity and would need financial assistance, we invite families to get in touch with us to discuss what may be available. If you wish to discuss paying in instalments, please email me at [sstirling@mysackville.co.uk](mailto:ssstirling@mysackville.co.uk).

Yours sincerely

Miss Sarah Stirling
Curriculum Leader for Art
