Dear Parent/Carer

We are currently in the process of buying A2 level Physics revision guides for the students. These revision guides are a great help to the students throughout the year and especially in the run up to tests and examinations.

You may wish to either purchase a copy of the A2 Physics revision guide or borrow a copy from the Physics department for the year. If you wish to purchase a copy your child will be free to write in it and use it in any way they wish to help them revise. If you would prefer to borrow a copy we will need it returned, undamaged, before the end of the school year.

The cost of purchasing a revision guide is £5 and cheques should be made payable to Sackville School or you may pay via the online payment system.

Please complete and return the slip below to Mr Wilcox, with an attached cheque if you wish to purchase the revision guide.

Yours sincerely

Mr P Wilcox
Curriculum Leader of Physics
