24th November 2021

Dear Parent/Carer

Year 7 Assembly to Celebrate Achievements

We are writing to invite you to an assembly to celebrate the achievements of year 7 during this first term. These are scheduled to take place on Tuesday 14th December and Wednesday 15th December 2021.

The assembly on Tuesday 14th December is for 7ACE, 7KOR, 7VSR, 7MTY and 7JMR.

The assembly on Wednesday 15th December is for 7JBK, 7JBV, 7AMS, 7MLE and 7DPT.

The assembly will be in the main hall and will begin promptly at 8.50am and last for approximately forty minutes. We will be celebrating the outstanding effort and achievement of the year 7 students in their first term. There will be prizes and certificates given out from all departments and inputs from each tutor group.

If you are able to join us please could you let us know your attendance by completing this form [here](#). If you have younger siblings, they are more than welcome to attend if they can sit on laps, we do have to be conservative with seating arrangements so we are able to reserve one seat for each student.

If you have any queries please contact Mrs Karen Brown on kbrown@sackvilleschool.org.uk.

We hope you can come and celebrate with us.

Yours sincerely

Mr J Endersby
Leader of Year 7
