17th March 2021

Dear Parent/Carer

HPV Vaccinations

As we return to school and try to establish the routines and structure that support learning, I am writing to inform you of the commencement of the normal vaccination schedule for your child.

The Immunisation Service are coming into school on **Friday 26th March 2021** to offer your child the HPV vaccination.

Enclosed with this letter are the following documents:

A parent letter - with instructions on how to complete the online consent form, to either consent or refuse this course of vaccinations.

HPV leaflet from Public Health England - to be shared with your child.

The online consent form is available for completion until 11.00am on Wednesday 24th March 2021. If you have any difficulties completing this online form, please contact your local Immunisation team, using the telephone number provided in the attached letter. This letter also contains important information on the vaccines and answers frequently asked questions, to help you and your child reach an informed decision regarding consent.

If you miss the cut off time to complete the consent form, we will not be able to vaccinate your child in school on Friday 26th March. The consent form will reopen on Monday 29th March enabling you to submit a form for your child to be offered the vaccination at a later date.

I appreciate there has already been a lot taking place for our year 8 students and would like to say they have all done incredibly well taking the return to school in their stride and I am sure that this will continue to be the case.

Yours sincerely

Mrs M Tingley
Leader of Year 8
