July 2015

Dear Parent/Carer

Year 9 Curriculum Enhancement Week

I would like to share with you the Curriculum Enhancement Week programme for year 9. The programme includes two health related days comprising ten workshops that cover topics such as Nutrition and Healthy Eating, Healthy Relationships, Social and Mental Well-Being and, amongst others, Bikercise.

Another day will include some team building activities and a tie-dye t-shirt activity. The final day will be carried out as a whole year group. We will begin with a prize-giving morning and conclude with a circular sponsored walk to Forest Row.

The sponsored walk will raise money for charity or charities chosen by the students themselves. If any of the students wish to wear fancy dress this will also be permitted. While in Forest Row we will have a picnic lunch and some games before returning to Sackville for the end of the school day. All students will be required to walk back to school.

I have purposefully kept the cost down for this year's Curriculum Enhancement Week and the only donation I would ask for is for the tie-dye t-shirt activity. £1 will cover the cost of this activity for materials and students' t-shirts.

I hope all students will take a full and active part in the week and enjoy as much of it as possible.

Please complete the slip at the bottom of the letter to give permission for the sponsored walk on Friday 17th July.

Yours sincerely

Mr J Endersby
Head of Year 9

To: Mr J Endersby

Student name..... Form

I do give/do not give permission for my child to take part in the sponsored walk from Sackville to Forest Row and back to Sackville, on Friday 17th July.

Signed Date.....
