November 2016

Dear Parent/Carer

Year 9 GCSE Information Evening

I would like to invite you and your child to the year 9 GCSE Information Evening on Wednesday 23rd November. The evening will run from 5.30pm until 6.15pm in the main hall, so please enter the school through reception. This is a great opportunity to come and hear from subject leaders in key stage 4 English, maths and science. They will be providing valuable information relating to the GCSE curriculum in the three core subjects.

It will be helpful for you to attend so that you will be able to support your child through the next three years of their education. It will also be a good opportunity for you to ask any questions you might have regarding any other areas of the GCSE programme that your child has just begun. I will be in attendance along with other members of SLT to help with any queries you may have.

Yours sincerely

Miss K Hilaly
Leader of Year 9
