Dear Families

## Sociology Revision Guide

I have arranged for the GCSE sociology students to be able to buy a Collins revision guide, through the school, for the price of £5.50 (half the recommended retail price of £10.99). This revision guide covers the whole GCSE specification and includes plenty of exam-style questions to practice. We are also now able to offer the Collins revision cards for £7.00 (RRP £12.99). These cover all of the key terms students need to succeed in GCSE sociology.

If you would like to order either (or both) of these resources for your child, please could you place your order via the My Child at School app as soon as possible.

If your child already has a copy of the Collins Sociology revision guide (with either the white or purple cover), there is no need to re-order, the book they have covers the whole course through to year 11. You may though wish to consider ordering the revision cards as an additional resource (I have a sample set that students are welcome to look at before ordering).

Please remember that if your child is eligible for the Pupil Premium government grant we will use that to pay for this item. Please get in touch with Mrs Nibloe ([h nibloe@sackvilleschool.org.uk](mailto:h nibloe@sackvilleschool.org.uk)) if you **do not** wish us to do this.

If you would like any further advice on how to support your child's progress in GCSE sociology, please do not hesitate to contact me at [mporter@sackvilleschool.org.uk](mailto:mporter@sackvilleschool.org.uk). All homework and revision resources are set on the Google Classrooms and students should be able to find everything they need there.

Your sincerely

Ms M Porter
