

December 2022

Dear Parent/Carer

Maths Equipment

As you will know, achieving a good result in maths is vital and being fully equipped for lessons is important to help accomplish this. As such, the maths department would like you to help us by ensuring that your child is fully equipped for all lessons.

We will be looking for students to bring the following to lessons:

- 2 black/blue pens
- 1 green pen
- 1 ruler
- 1 protractor
- 1 pair of compasses
- 1 pencil
- 1 scientific calculator

This equipment, as well as other equipment your child may find useful, is also available through the mathematics shop, where items can be purchased using cash. All items are initially purchased by the school in bulk and VAT free, so it is unlikely you will be able to buy them cheaper elsewhere.

The maths department shop is located in M block near the toilets and opens during morning break only. These are also available from the AVA shop next to medical. AVA is open 8.30am until 4.00pm daily.

Below is a list of items we sell and their cost (all costs below are correct at the time this letter is sent).

Item	Cost
A pencil case	£0.60
Black pens	£0.10
Green pens	£0.10
Pencils with rubber	£0.10
6 colour pen	£1.00
Rubbers	£0.10
Pair of compasses	£0.30
Protractors	£0.10
30cm rulers	£0.20
Post it notes	£0.35
Cue cards	£2.75
Highlighters	£0.65
Pencil case set	£2.00

If your child is someone we get the Pupil Premium grant for, please liaise with their maths teacher regarding any items that are needed and we will use the grant to pay for them.

If you have any queries on this or anything else regarding your child's mathematics, please do not hesitate to contact me by email at iwhite@sackvilleschool.org.uk.

Yours sincerely

Ian White
Curriculum Leader of Mathematics
