

March 2022

Dear Parent/Carer

## UKMT Junior Mathematical Challenge

We would like to invite your child to participate in the UKMT Junior Mathematical Challenge.

It will take place within school on **Wednesday 27<sup>th</sup> or Thursday 28<sup>th</sup> April 2022** and is a 60 minute, multiple-choice challenge.

It encourages mathematical reasoning, precision of thought, and fluency in using basic mathematical techniques to solve interesting problems. The problems on the Junior Mathematical Challenge are designed to make students think. Most are accessible, yet still challenge those with more experience.

If your child wishes to participate we will give your child some resources to complete over the Easter holiday in preparation and there may be some lesson time dedicated to it also.

Although there is a small fee for entering the challenge, we will pay the fee so that there is no cost to yourself. Please complete the google form [here](#) to express your child's interest no later than **Monday 4<sup>th</sup> April 2022**.

If you have any questions please email [sjeffcoat@sackvilleschool.org.uk](mailto:sjeffcoat@sackvilleschool.org.uk)

Yours sincerely

Ms S Jeffcoat  
Leader of KS3 Mathematics
