

17th March 2022

Dear Parent/Carer

Representation in Sport at County Level or Equivalent

Sackville school like to recognise the sporting achievements of students who have made representation at county level or equivalent, in any sport. With this in mind please could you advise me if you think your child may qualify for this award and let me have the details by Friday 8th April 2022. You can email me at djohnson@sackvilleschool.org.uk.

Please note that if your child has already received this award in previous years then they will not receive it again, as it is a 'once only' award.

Yours sincerely

Mr D Johnson
PE Technician
